Description

Outdoor Artificial Boxwood Mat Foliage is manufactured in 50cm x 50cm plastic square panels for use in creating artificial hedges, green walls and privacy screens. Our outdoor artificial Boxwood mat is made from specially formulated plastic with UV inhibitors to protect against colour fading.

Outdoor artificial Boxwood mat is very popular with designers, architects and general contractors because of its ease of installation. Manufactured on a square grid panel, the plastic Boxwood mat can simply be sectioned together similar to wall tiles, creating beautiful artificial hedges.
