Description

Our most luxurious grass to date. The natural 52mm supersoft S-Shape pile offers superb bounce back ability with the ultimate durability properties.

Your going to need help installing this one at over 3kg per square metre!.

Warning

This product weighs in excess on 3kg per square metre.

You will be limited to a max length of 8m per section ordered. This is due to carrier weight restriction of 100kg per item.

Longer lengths are possible up to a max of 25m for collections from our trade counters.

Please email us advance to order and collect using a suitable vehicle able to carry a 4m load length at 350kg per roll.

By not offering a fitting service, Express Grass can offer you the very best prices on artificial grass, and we believe you can easily lay your own artificial lawn with a small amount of preparation and a lot of pride.
