

Weed Control Fabric (14m²)

£18.99

Product Images

Description

All our Artificial Grass ranges all have a black weed resistance backing, however for double weed protection you can add a weed fabric layer directly beneath the grass.

This roll will cover up to 14 square meter. Supplied on a 1m x 14m size roll

Can be installed loose laid, direct on top of a prepared sand or soil base.

Under a £1 per m² (£13.99 per roll)
